# Tullymore Proudly Presents "The Emerald" by Minstrell Builders

**"Ava"** Reminiscent of the homes on the eastern seaboard, this cottage style ranch home boasts intricate wood detailing.

**"Banfield"** This Craftsman inspired elevation is a warm composition of stone, brick and shake siding. A traditional look to be enjoyed for many generations to come.

**"Chaeli"** Designed with English traditions in mind, this Tudor style elevation is a graceful composition of Stone, Stucco and Brick.

**"Briana"** A mix of stone and brick with a dramatic entry makes for a stunning European styled home.

**"Darchelle"** This rustic Brick elevation combines sweeping roofs, large wooden shutters and brick quoins to provide a warm and inviting appeal for the ages.
